Winter Camp is the Place to Be

Kare Youth League's winter camping season at Mount Kare is here and it is the place to be.

Mount Kare is located just north of Wrightwood in the Angeles National Forest - across the valley from the Mountain High Ski Resort. It sits on 16 beautiful acres of mountain terrain; features seven heated cabins; has a full-service kitchen connected to a gorgeous dining hall; and has a spacious two-story lodge complete with fireplaces and a game room. Brochures are available in the office. Make sure to fill out a health form and, if you are tubing or skiing, a waiver form.

The lodge at Mount Kare is definitely the place to be when it snows...and when it doesn't snow. (I guess that pretty much covers all the time)

The uniqueness of flying down the mountain on an inner tube with your friends can be experienced at Mount Kare this month. Go for it!

It is Beautiful

Saturday, February 4th will be a day that, for those who were there, will be remembered for a long time. The dedication of the beautiful Stivers Center was a moving experience and brought to a close chapter one of the story.

In chapter 2 we enjoy it and respect it. Enjoying it means that we will be playing our games on Saturday inside the Center.

Respecting it means that no one can eat or drink (except water) anything inside the Center, and only go into the Center when you have an activity there. If we take care of this wonderful building, it will be beautiful for many years to come.
