VOLUME 72, NUMBER 13 • DECEMBER 10, 2012

COLUMN ONE

Don't be this grumpy guy at Christmas. Stay away from the crowds and shop at Sportline in Arcadia.

Solve the Panic of Last Minute Shopping

Who likes crowds and parking nightmares? I sure don't. This year get your child something they really want. Sportline has balls for all seasons. Sure, basketball is beginning and Sportline has the basketball size you're looking for (see chart below), but baseball and softball are also right around the corner and a new glove or bat could also come in handy.

Stay warm this winter with a Kare Youth League sweatshirt. Sweatshirts for the Georgia Bulldogs, Kentucky Wildcats, FSU Seminoles, UNC Tarheels, and Falcons are all available in each office. If you make a purchase and it's for a Christmas present, Sportline will wrap it for you free of charge. Wow, what a deal!

Interesting Facts about Christmas

- 1) 1 in 10 presents received on Christmas will be broken by New Year's Day. (I thought for sure that it was much more than that.)
- 2) 7 in 10 dogs will receive a gift from their owners for Christmas. (The other 3 will still love their owners just the same.)
- 3) About 5,000 Visa Card purchases are made every minute during Christmas time. (Maybe people should use their Discover Card more.)
- 4) The typical Christmas dinner in England used to be pig head with mustard sauce. (Fortunately for us all, this has changed.)
- 5) The word "Noel" comes from the French phrase "les bonnes nouvelles" which means "the good news". (Maybe we should use that term more.)
- 6) The song "Jingle Bells" was first written for Thanksgiving and not Christmas. (Time to make Silent Night your Christmas song of choice.)
- 7) You would receive 364 presents if you got every gift from the song "The Twelve Days of Christmas". (You would also have a horrible time trying to house and feed all those people and animals. I guess the five gold rings would help.)
- 8) Christmas Day became a national holiday in 1870. (Maybe someone should pass that along to the City of Santa Monica.)

Court Shoes for the Gym

Remember, it is strongly suggested that people have shoes that are only worn in the gym. It will help your child play better (although we realize that some of the younger ones like sliding around) and it will help keep scuff marks off the court (which the staff would appreciate).

They don't have to be expensive but they do have to be good on the court.

Breakfast with Santa a Huge Success

We all know that Santa is a little large in the mid-section (OK, he’s HUGE), but he’s not the only thing that is huge around Christmas time. Last Saturday at Kare was a huge day as well. Almost 600 people ate breakfast, played games, saw Santa, and had a wonderful time. A huge “shout out” goes to the parents and volunteers that made it possible. Thank you!
