Notes on Winter Camp

The A and AA Divisions will have their Winter Camp next Friday, February 20. The cost is \$59.50. We are also offering the opportunity to go Tubing at the Mountain High Ski Resort (across the street from our camp). This is a controlled tubing experience with a moving carpet so children can ride their tubes back up the hill. There is an additional cost of \$15.00 for this (total of \$74.50). Make sure to fill out the special Mountain High Tubing Waver if you want your child to do this.

There is currently about two feet of snow on the ground with more on the way. It is important that your child has the proper winter snow gear for playing in the snow. This includes ski pants or ski bib, warm, waterproof winter jacket, beanie, good waterproof snow gloves, and most importantly, snow boots (not rain boots, these must be insulated). If your child skis or snowboards, you probably have everything you will need. These items can be purchased at Chick's, Sport Chalet or at other sporting goods store.

We will depart from the Glendora Ave. parking lot at 4:45 (check-in at 4:30). We will return on Sunday, February 22 between 2:45 and 3:00 PM (Glendora Ave. parking lot).

For additional information on the Tubing, go the Mountain High website <http://mthigh.com> and click on the North Pole Tubing Park button on the bottom left of the page.
