## Earn a spot on your Future Classic roster

Selected players from every KYL squad will compete for East/West hoops supremacy at the Future Classic February 20 and 27 in Arcadia.

The competition level at the Future Classic is always high. Since Kare went to the East/West format in 1989 the East and West have each won it eight times and the sides have tied twice.

The Classic is a series of games pitting combined teams from the Eastern Conference against combined teams from the West. Players earn a spot on the roster based on their attendance and on court performance through the first part of the season. Do your best right now to make the team.

The games start at twilight and continue through the evening. Check future Interleaguers for more information.

### *Snow on the way*

A huge winter storm is headed our way, which is great news for the upcoming winter camps at Mount Kare. KYL's winter camping season starts the first weekend in February with the AAA/Pac-10 camp and continues throughout the month. Check below for your division's camp date.

Mount Kare sits on 16 beautiful acres of mountain terrain, is highway close, and is widely considered one of the top camping facilities in all of southern California.

Children are bussed to camps in one of Kare's CHP certified buses.

## KYL Parents' Code of Ethics

With a new season upon us we thought it might be a good idea to republish the Kare Youth League Parents' Code of Ethics.

For most this will be a review, while parents of new members are seeing the code for the first time.

The KYL leadership and staff appreciate all the great parents at Kare and realize that the code probably isn't even necessary. However, even the most seasoned Kare parents can get caught up in the excitement of a close ball game, so let this just serve as a reminder of Kare parent expectations.

- I will encourage good sportsmanship by demonstrating positive support for all players, coaches and officials at every game.
- I will place the emotional and physical well being of my child ahead of my personal desire to win.
- I will support coaches and officials working with my child in order to encourage a positive and enjoyable experience for all.
- I will refrain from the use of tobacco, alcohol and profanity at all of my child's activities.
- I will remain in the bleachers or designated areas for parents during games and defer the coaching to the Kare Youth League staff.

## Basketball 101

### *Rebounding*

Rebounding is a product not of great athletic ability, **but attitude and desire**. Make up your mind that you want to rebound, go after every ball, and master box out techniques.

The key to rebounding is positioning and concentration on the ball. Anticipate the flight of the ball. Remember that most shots rebound to the opposite side of where they were shot. Box your man out and concentrate on the ball until it is secured in your hands or rebounded by someone else.

Always keep your hands up at least shoulder high when getting ready to rebound. This will allow you to be ready for the rebound that comes off the rim quicker than expected. Remember: shot goes up - hands go up! You are now on your way to rebounding prowess.
