East/West duel at Future Classic

Selected players from every KYL squad will compete for East/West hoops supremacy at the Future Classic February 20 and 27 in Arcadia.

The competition level at the Future Classic is always high. Since Kare went to the East/West format in 1989 the East and West have won it eight times apiece and the sides have tied twice.

The Classic is a series of games pitting combined teams from the Eastern Conference against combined teams from the West. Players earn a spot on the roster based on their attendance and on court performance through the first part of the season. Do your best right now to make the team.

The games start at twilight and continue through the evening. Check below for your divisions game time.
