Saturday, March 6 - Playoffs

Saturday, March 13 - Championship Saturday

Saturday, March 20 - Baseball Opening Day (baseball registration is due on the 20th)

Kare Youth League will begin its baseball season immediately following the basketball season. The 2nd grade boys will have the opportunity to pitch. So it's time to break out those gloves and start practicing!!! We will have three divisions for baseball: the C's, the CB's and the B's so every boy will have the opportunity to bat more in the games.

Saturday, April 10 - B Division Awards Night

The B Division Awards night will follow the basketball season some time in April. Just giving you a heads up. This awards night will feature all the B division boys in an evening of fun and excitement. The boys will receive their individual awards from the past year. Those who have played all year will receive baseball, soccer, football and basketball for this whole year! Plus those who haven't missed a clubmeeting yet will also receive a perfect attendance award.
