Foul balls can damage cars

Please be aware of the inherent risk to your vehicle if you choose to park near a field at Kare/Arcadia during baseball/softball season.

Although the organization has taken extensive precautionary measures to protect vehicles an errant ball can still find its way to your windshield. Kare Youth League is not liable for damage done to your vehicle.

There is plenty of parking in the lower lot at KYL. To get to the lot follow the driveway around Field #2 and make a right at the island with the fire hydrant.

KYL Field Locations

All Kare Youth League t-ball, baseball and softball games are played on one of Kare's 10 ball fields. There are four fields at Kahler Russell Park, four at Kare/Arcadia and one in Upland.

Fields are denoted first by their location (C = Covina, A = Arcadia, U = Upland) and then by a number.

Covina

Fields are numbered 1 to 4 beginning with C-1 located next to the second hockey rink and directly in front of the office. The fields proceed westward from there in numerical order. For games on C-1 or C-2 it is best to park in the Glendora Ave. parking lot. For games on C-3 or C-4 it's faster to use the Grand Ave. parking lot.

Arcadia

- A-1b is located on the northwest corner of the large high school field seen best as you exit Kare/Arcadia.
- A-2 is located in the center of the property. It's the field you drive around when heading to the back parking lot.
- A-3 is located to your right-hand side as soon as you drive onto the property.
- A-4 is also located to your right-hand side as soon as you drive onto the property - only it's the field in the far corner.

Upland

- U-1 and U-2 are located on the grounds of Pacific Christian Center in Upland.
