

COLUMN ONE

All Kare families do their part at the Circus

The Kare Youth League Circus and Carnival is successful year in and year out due in large part to the many hours given by Kare parents. We couldn't do it without you.

Once again parents will be counted on to work in one of the 40 food or game booths at this year's Circus **June 4 and 5** at the world famous **Rose Bowl in Pasadena.**

The midway will be boast a Family Fair theme with all booths decorated in the same red, white and blue fashion.

Every Kare family has an assigned booth. Most parents find that working at the Circus is both fun and rewarding.

Families are asked to work for at least one three hour shift on either Friday or Saturday. A booth representative will contact you sometime in the next couple weeks about your assignment.

Circus Notes

- Remember all Kare members who do not meet their quota will have to make up the difference in cash. No worries though, because you still have time to sell - you can do it!
- The "Partner Group" plan has worked great for those who have tried it. If you're looking for an easy way to sell a lot of tickets give it a try!

Working at the Circus is both fun and rewarding. Parents, we're counting on you.
