An easy way to reach your child's ticket quota

The new "Partner Group" selling plan has caught on fast and is working well for those who have tried it. If you're looking for a **simple way** to meet your child's required ticket quota here it is! You can reach your child's quota with a single contact! Follow these steps to get started.

1) Think of a non-profit group (school PTA's, youth groups and teams, church groups, etc) you are involved with that would like to earn money by selling tickets to the Kare Circus.

2) Give your name and the name of the group to the Kare office, or leave a message at **626-442-1160 ext. 118**.

3) Once your group is approved we will give you the information they need to become a Kare Circus "Partner."

4) If they like the "Partner Group" plan and agree to participate your family automatically gets credit for one child's entire ticket quota.

How the plan works for the non-profit

- Kare provides tickets, flyers and posters to the group several weeks before the Circus.
- Families within the non-profit purchase tickets at regular prices and the group keeps part of the proceeds. **It's that easy!**
- The group has no out of pocket expenses. All materials are provided by Kare.
