## Kare's Rich Football Tradition

**K**are Youth League was one of the first organizations in Southern California to play tackle football. Over the course of 50-plus years Kare football has turned out some outstanding teams and produced quite a few fine ball players.

Rio Hondo Prep, with teams comprised of boys who played in KYL as youngsters, played in last year's **CIF championship** game and has played in a total of 19 CIF championship games since the school opened in 1964.

Friday, September 10 they defeated Big Bear 22-12 to start the season off right. Friday, September 24 they will face perennial power Boron at home at 7:30.

In addition to RHP's success, former Kare members continue to excel on the gridiron at other area high schools.

KYL alums also shine in the collegiate ranks. There are a host of alums playing at local junior colleges and small universities in addition to several playing NCAA ball (3 UCLA players are former Kare standouts).

A good chance to catch the current stock of great KYL football players will be at the Future Bowl on **November 10** and championships on **December 4**.

## Football Weight Requirements

**K**are Youth League maintains a strict set of weight rules for every level of our program.

The table below tells you the weight range for boys who may play all positions (All), the defensive and offensive lines only (Line) and the offensive line only (O-line).

#### Football Weights
