Special B & B-1 Division Rules

Boys will match wristband colors by ability with their opponents.

- 1) Boys will play a Man to Man Defense. They may only guard the boy with the same color wristband.
- 2) The defender cannot guard the ball handler until the ball crosses half court.
- 2) There is no stealing allowed outside of the key. Boys should position themselves between their man and the basket in good defensive positioning. If the offensive player enters the key, anyone can steal the ball or block the shot.
- 3) Loose balls may be picked up by any defender on the floor.
- 4) A defender can have their hands straight up in good defense to contest a shot outside of the key.
- 5) If the ball is stolen outside of the key, the official will immediately give the ball back to the offense, without taking the ball out of bounds.
- 6) We play 20 minute halves.
