

Pearl Prep

The new campus on Mulhall in El Monte has been a great improvement for Kare Youth League's elementary school, Pearl Prep. The huge playground, spacious rooms, and small class sizes (average 15 per class) combine with the caring teachers and challenging curriculum make for a great learning experience. The next school orientation for new students will be on Thursday, February 17 at 7:00 p.m. Make sure to RSVP by calling the school office at (626) 442-7737. Pearl is located at 10900 Mulhall St. in El Monte.

Mt. Kare

Water has always been a problem at Mount Kare. Often, we have had to cut back on water usage, especially during drought years. Plans have been in the making for a well to be built at Mount Kare, our own well, so that we can be more independent and save money over time.

Rio Hondo Prep

There are a lot of improvements being made to the athletic facilities on campus that all can see but you may not know the academic accomplishments that are going on behind the scenes. Many students are able to take advantage of AP (Advanced Placement) classes offered at Rio that actually count for college classes and give them a head start on receiving their college degree. Those interested in the school should attend the 2011-12 information meeting on Thursday, February 24 at 7:30 p.m. in Arcadia.

Arcadia Update

Concrete came Friday in truck, after truck, about 70 in all. The new pavilion in Arcadia will soon be taking shape. By the end of February, walls will begin to appear. The new structure is still on schedule to be completed in mid December, hopefully in time for basketball. Funds will be needed to get us over the top. We all need to be prepared to do our part to make this dream a reality.

Covina Update

Many oldtimers remember times past when Mr. Mike Dowd was overseeing operations at Russell Park in Covina. When he retired, we struggled to find a replacement. Along came Mr. Scott Wideman and the answer to the problem. Mr. Wideman has brought his interest in fields to the park and the grass has never looked better.

Upland Update

There are no games on the President's Holiday weekend, but if you are in town, the coaches will be working on the Field at PCC for the upcoming baseball/softball season. Come any time from 8am - 4pm - there's a lot to do. Bring shovels, rakes, wheelbarrows and paint brushes if you have them, but if you don't, that's ok come anyway. If you have construction experience, call Dave Carson at 626-226-6841 to help repair and improve the dugouts.
