## Make a Difference

March is giving month at Kare Youth League and **YOU** can make a big difference by donating something to the "I Kare for Youth" club. John F. Kennedy once said, **"One person can make a difference and every person should try."** We want every family to give at least \$5.00 to the "I Kare for Youth" club this month. The team with the biggest percentage giving in each Division will win a prize. **"One person can make a difference and every person should try"**. Make a difference this month at Kare Youth League.

Over the past 6 months the top team in Arcadia and all of Kare Youth League was the **Eagle D** squad. Way to go Eagles! The top Covina team was the **North Carolina AA** and the top Upland squad was the **Pac Ten Oregon Ducks**.

### Accessorize at Sportline

- A plethora of baseball/softball accessories are available at Sportline in Arcadia and the office at Kahler Russell Park.
- Items include: bats, gloves, gear bags, batting gloves, team wristbands, knee pads and much more.

## Foul Balls Can Damage Cars

Please be aware of the inherent risk to your vehicle if you choose to park near a field at Kare/Arcadia during baseball/softball season.

Although the organization has taken extensive precautionary measures to protect vehicles an errant ball can still find its way to your windshield. Kare Youth League is not liable for damage done to your vehicle.

There is plenty of parking in the lower lot at KYL. To get to the lot follow the driveway around Field #2 and make a right at the island with the fire hydrant.

## Bring a Friend for Baseball or Softball

Kare Youth League's baseball and softball season officially begins on **March 19** with opening day at Arcadia, Covina and Upland. Practices begin March 14.

**The new season presents a great time for children to join the program.** If you like what you see at Kare, then recommend our program to your friends.

The best way for someone to sign up is to visit one of the Kare offices any afternoon we are open, or call **(626) 442-1160**.
