13 "Is" the Lucky Number (Update)

Saturday, December 10 the Rio Hondo Prep Kares are hoping that 13 is a lucky number. 13 would be the # of CIF Football Championships owned by the Kares if they defeat the Desert Christian Knights at 7:00 p.m. on Kare Field. This is the 20th championship that the Kares have been in and both numbers rank second in California only behind Long Beach Poly.

It is tough to explain the longevity of Rio Hondo's success but it is not tough to explain why this team is so successful. One only needs to come out on a Saturday to any Kare Youth League activity and see the quality of the Rio Hondo Prep students who assist with teams. Growing up at Kare these boys have learned discipline, loyalty, and teamwork that helps them succeed on and off the field.

To update this story: The Kares did win the CIF Northeast Division Championship 34-13. You can see highlights on line from the game at Fox Sports West Prep Zone (You can also go to their archives and see the game in it's entirety) who covered the game with 3 different cameras. You can also read articles on the game at ESPN LA or the Pasadena Star News. Congratulations!

K.J. Moore on his way to 1 of his 2 touchdowns on the night in the 34-13 victory.
