

Ribbon Cutting is Finally Here!

Monday, June 14, 2010 was the beginning and Saturday, February 4, 2012 marks the end of a long journey. On that summer day a year and half ago many could only wonder, as the old Pavilion was being used for the last time, what the new Stivers Center would look like. Would it be large? Would it be beautiful? Would it soon come? Well, the answer to all those questions can now be revealed, "Yes!"

Saturday, February 4 at 10:00 will mark the official ribbon cutting for the Truman B. Stivers Center in Arcadia. City officials, Kare Youth League and Rio Hondo Prep alumni, present members, and friends of Kare Youth League past and present will be there to celebrate the historic day. Tours will be available throughout the day so that everyone can take in the splendor of this great structure.

Truman Stivers was a member of Kare Youth League back in the 30's when the organization was known as Boys' Christian League. Truman came at a time when team meetings were held at the house of our founder, Mr. Orrick W. Hampton. Practices and games were held at parks and local schools and Truman, along with his brother James, learned about the values of a Christian life. It was back then that the "Promise and Laws" were first created and they served as the foundation for life in Truman as he stepped out to become a successful businessman and civic leader in Pasadena. Those same "Promise and Laws" are still on the back of our membership card today.

Mr. Stivers' generous gift at the end of his life has made this building possible. Now, for many years to come, children that he never knew and that will never know him, will benefit. Kare Youth League will be forever grateful.

The Stivers Center basketball floor is nearing completion and it's almost time to play ball. The official ribbon cutting ceremony will be on Saturday, February 4th at 10:00. For those interested there will also be a special ceremony at Kare Youthchurch on Sunday, February 5th at 10:00. Kare Youthchurch is non-denominational and all are welcome. There will also be a special speaker coming all the way from Washington D.C. to share in the moment.
