Special C & C-1 Division Rules

Boys will match wristband colors by ability with their opponents.

- 1) Boys will play a Man to Man Defense. They may only guard the boy with the same color wristband. Only one defender is allowed outside the key at a time to guard the ball. The other four players must be in the key until their offensive player gets the ball. (In the C-1 Division all 5 players must play Man to Man from within the key. No defender is allowed outside the key.)
- 2) The defender cannot guard the ball handler until he crosses half court.
- 3) There is no stealing outside the key. Anyone can block the shot or steal the ball in the key on a rebounced shot.
- 4) If the ball is being taken in bounds in the front court then all players must start inside the key- once the defender's man gets the ball then he can leave the key to guard him - Loose balls always go back to the offense unless the ball rolls out of bounds from an offensive player & there is no form of illegal defense.
- 5) A defender can block a shot only if his hands are straight up in good defense.
- 6) We play 18 minute halves.
- 7) Balls that go out of bounds go to the defense.

Look below to find what team you are on. This is my first attempt. These teams may change next week.
