COLUMN ONE

Kare Operations Changing in the Spring

Spring is the time of year for everyone to clean, plant gardens, and try new things. Kare Youth League is no different. Our insurance company is telling us that we need to do things a little differently and that means a few changes in how we operate.

First, every Kare member family will have to sign a standard waiver agreement before participating in baseball/softball which begins on Saturday, March 16. Second, every Kare family will have to pay the membership fee for baseball/softball to be eligible to participate beginning March 16.

Be watching on Saturday, February 23 for the “Waiver Patrol” coming around to each game and be prepared to fill out the forms so that your child will be eligible to participate in baseball/softball. Thank you.

A Salute to the Presidents

Please notice that there will be no regular Kare activities from Friday, February 15 through Monday, February 18 in observance of the Presidents Holiday. Regular activities will be again on Tuesday, February 19.

30 Gold Coins – A Parable

Once upon a time, there was a Selfish Man. He liked everything to be his own. He would not share his belongings with anyone, not even his friends or the poor. One day, the man lost thirty gold coins. He went to his friend's house and told him that he lost his gold coins. His friend was a kind man.

As his friend's daughter was coming from an errand she found thirty gold coins. When she arrived home, she told her father what she had found. The girl's father told her that the gold coins belonged to his friend and he sent for him. When the selfish man arrived, the friend told him how his daughter had found his thirty gold coins and handed them to him.

After counting the gold coins the man said that ten of them were missing and had been taken by the girl because he had forty gold coins. He further commented that he would recover the remaining amount from the girl's father. But the father refused.

The man left the gold coins and went to court and informed the judge about what had taken place between him and the girl's father. The judge sent for the girl and her father, and when they arrived he asked the girl how many gold coins she had found. She replied, “thirty gold coins.”

The judge then asked the selfish man how many gold coins he had lost and he answered forty gold coins. So the judge told the man that the gold coins did not belong to him because the girl found thirty and not forty as he claimed to have lost.

He told the girl to take the gold coins and that if anybody was looking for 30 he would send for her. It was then that the man confessed that he had lied and that he had lost thirty gold coins. But the judge did not listen to him.

Rio Hondo Prep High School Basketball goes into the playoffs ranked #1 in boys and #4 in girls in Division 6.
