

# INTERLEAGUER

VOLUME 72, NUMBER 20 • FEBRUARY 25, 2013

## COLUMN ONE

*It's not too late to sign-up your daughter to go to Karena camp the weekend of March 2<sup>nd</sup> and 3<sup>rd</sup>.*

## March Madness Comes to Kare Youth League

It is time for the madness to begin as Kare teams from 1<sup>st</sup> grade through Jr. High experience basketball playoff action. The Interleaguer will try to always keep you up to date for the latest schedules. **During playoff action, the Interleaguer will be updated daily at our Kare Youth League website ([kyl.org](http://kyl.org)) which just got a fresh new look.** You can find the latest Interleaguer by searching down the left side of the page and click on "Current Interleaguer".

## Important Reminder

Beginning Saturday, March 16 all Kare members will need to pay the membership fee for baseball/softball & sign a waiver form to participate in any activity (including practices, meetings, or games). Please try to take care of this by Saturday, March 9. It will make things easier on the staff and will help to not cause any delay in your child taking part in activities.

## Rio Hondo Prep Pulls Off the Rare Double

This Saturday Rio Hondo Prep is accomplishing something that no other school in Southern California can boast. Both the boys and girls basketball teams are competing in the CIF finals on the same day. Unfortunately, the games at 9:30 and 11:30 at Mater Dei in Santa Ana are going to cause activities to change at Kare Youth League. It is very important that we have all our high school assistants at the games and activities.

## Hard Work Never Hurt Anyone

*(From God's Little Devotional Book)*

Juan grew up in Puerto Rico, the son of a sugar-cane plantation foreman. He lived with his family of eight in a three-room shack with a dirt floor and no toilet. His first job, at the age of six, was to drive oxen to plow the cane fields eight hours a day for \$1, with no breaks. Juan looks back on those days as tedious but important in his life.

It was in the cane fields that he learned to be on time, work hard, and be loyal and respectful to his employers. His job and small income were a great source of self-esteem. At age seven, he got a job at a golf course spotting balls for golfers.

Juan began to dream of playing golf and earning enough money to buy a bicycle. The more he dreamed, the more he thought, why not? He made a club out of a guava limb and a piece of pipe, and then he hammered an empty tin can into a ball. Next, he dug two small holes in the ground and hit the ball back and forth between them. He practiced "golf" with the same intensity he had put into his job in the cane field, only this time he was driving golf balls with a club, rather than oxen with a stick. He got good – very good.

In his thirty-one years as a pro golfer, Juan "Chi Chi" Rodriguez won twenty-four tournaments and earned \$4 million. No matter how or where you start in life, you can use your circumstances for your benefit. Difficult circumstances can make you more determined to succeed, if you keep the right attitude.
