- **Arcadia** teams check in at 8:00 a.m. and return at 8:00 p.m.
- **Covina** teams check in at 8:30 a.m. and return at 7:30 p.m.
- **Upland** teams check in at 9:00 a.m. and return at 7:00 p.m.

What could be better? Knights & trucks, the best of present mixed with the best of the past. Both will bring a lot of excitement to this year's day at Mount Kare. Shooting nerf guns, exploring the great unknown, discovering new creatures, and watching out for dragons. We won't go swimming but we will get wet. The grub is pretty good too including smores & dogs. What could be better!
