

INTERLEAGUER

VOLUME 73, NUMBER 14 • DECEMBER 9, 2013

COLUMN ONE

“Breakfast with Santa” and “The Polar Express” are coming together for an unforgettable event on Saturday, December 14.

Breakfast with Santa

Saturday, December 15 from 8:00-11:00 a.m. there will be a lot going on in the Stivers Center at Kare Youth League in Arcadia. A first class pancake breakfast is just the start. There will also be plenty of games for the children and, of course, Santa Claus will be making an appearance. We are really grateful that Santa is making some room in his busy schedule (what with all the mall appearances and toy making). We ask that everyone bring your own camera for the picture with Santa. Can you believe it, all this excitement for only \$7.00 per breakfast?

Along with the fun there will also be an opportunity to contribute a toy to a needy boy or girl. “Toys for Tots” is a well-recognized program that receives unwrapped, new toys to give to needy families at Christmas.

Basketball Courts at Kare Youth League

Courts in Arcadia (5150 Farna, Arcadia) – A-1 and A-2 are the courts out by the water tank. A-3 is by concession and A-4 is the green and terra cotta court next to Hampton Hall and Stivers Center. S-1 (as you enter the main door) and S-2 (by the stage) are the courts inside Stivers Center.

Courts in Covina (735 Glendora Ave, Covina) – C-1 and C-2 are the courts by the office. C-3 and C-4 are the 10 foot baskets on the Grand Ave. side of the park, while C-5 and C-6 are the 8 ½ foot baskets that are also on the Grand Ave. side of the park.

Courts in Upland (800 W. Arrow Highway, Upland) – U-1 and U-2 are in the gym at Pacific Christian Center.

Court in Ontario (1311 W. 5th Street, Ontario) – “Ont” is at the Ontario Nazarene Church in Ontario.

Interesting Christmas Traditions and Facts

From the website “randomhistory.com”

1. 3 billion Christmas cards are sent in the United States each year (that’s about 10 per person).
2. Norwegian scientists have hypothesized that Rudolph’s red nose is the result of a parasitic infection of his respiratory system (and the glow from an unfortunate accident involving a glow stick and a disagreement with Comet).
3. Approximately 30 million real Christmas trees are sold each year in the United States (and 15 million fake trees, which doesn’t quite make sense if you think about it).
4. The British wear paper crowns while they eat Christmas dinner. The crowns are stored in a tube called a “Christmas cracker” (rumor has it that the tradition was not carried over to the United States because “those yanks” just can’t control themselves at the dinner table).
5. In Poland, spiders or spider webs are common Christmas tree decorations because according to legend, a spider wove a blanket for Baby Jesus (it also gives them a great excuse to not dust and just let the cobwebs accumulate).
6. The poinsettia is native to Mexico and was cultivated by the Aztecs who thought the plant’s brilliant color symbolized purity (and it doesn’t hurt Walmart’s business either).
7. The first person believed to decorate a Christmas tree was Martin Luther (1483-1546) (he used candles but the tradition of candles died out for some reason).
8. Christmas purchases account for 1/6 of all retail sales in the United States (and are blamed for 1/3 of all headaches).
