I Really Didn't Say Everything I Said: A Little Humor from Yogi

With baseball and softball commencing this week and next, the Interleaguer staff thought it would be a nice change of pace to include some Yogi Berra quotes about life. Yogi Berra was a catcher for the Yankees in the 50s and had a particular gift for saying the right thing the wrong way.

1. "If the world was perfect, it wouldn't be."
2. "The future ain't what it used to be."
3. "If you don't know where you're going, you might end up some place else."
4. "A nickel ain't worth a dime anymore."
5. "I really didn't say everything I said."
6. "I always thought that record would stand until it was broken."
7. "Never answer anonymous letters."
8. "It ain't over till it's over."
9. "Always go to other people's funerals, otherwise they won't come to yours."
10. "When you come to a fork in the road, take it."
11. "Nobody goes there anymore because it's too crowded."
12. "90% of the game is half mental."
13. "We made too many wrong mistakes."
14. "You can observe a lot just by watching."
15. "It's like déjà vu all over again."
