**\*The games published here are subject to change**

## It's Time to Sell Your Circus Tickets!

The boys will receive their circus tickets within a couple of weeks. Please note the circus was moved from May 30-31 to June 6-7. Kare's circus is our main fundraising event of the year. It is a time when we ask every Kare member to do their part in order to make it a success. The boys and girls will be selling tickets and parents are asked to work in the booths at the family fair! If you would like to be a booth chairman please let me know ASAP. **The boys are required to sell Circus Tickets.** There are a bunch of great prizes they could win including the Friday & Saturday Free pass to the circus, which includes all the food and games they want for free all day! Check your circus ticket envelope for a complete list of prizes the boys can win.
