Special C & C-1 Division Rules

Boys will match wristband colors by ability with their opponents.

- 1) In the C Division boys will play a Man to Man Defense. They may only guard the boy with the boy with the same colored wristband. Only one defender is allowed outside the key at a time to guard the ball. The other four players must be in the key until their offensive player gets the ball. In the C-1 Division all 5 players must play Man to Man from within the key. No defender is allowed outside the key.
- 2) The defender cannot guard the ball handler until he crosses half court.
- 3) There is no stealing outside the key. Anyone can block the shot or steal the ball in the key on a rebounced shot.
- 4) If the ball is being taken in bounds in the front court then all players must start inside the key. Once the defender's man gets the ball then he can leave the key to guard him. Loose balls always go back to the offense unless the ball rolls out of bounds from an offensive player & there is no form of illegal defense.
- 5) We play 18 minute halves with running time.
- 6) Balls that go out of bounds go to the defense.
