VOLUME 75, NUMBER 34 • MAY 16, 2016

COLUMN ONE

This is a picture from last year's SoccerFest in the Rose Bowl. After all, what could be better than playing soccer after a visit to the face painting booth?

And The Winner Is...

The winners in the **battling glove** drawing last weekend were:
Arcadia – Vlada Kuvshinova on the Pac Five Eagles
Covina – Jacob Nunez on the UNC AAA squad
Upland – Joshua Alonzo on the Falcon AA team

Selling Tickets May be Smarter than You Think

Each member needs to meet their quota or make up the difference in cash. So...if you think about it...if you sell four tickets in an hour then you just earned \$20 an hour. That's pretty good wages! Plus, you gained some "real-life" experience.

Mount Kare Open House in Wrightwood

Don't forget that Mount Kare Open House is Saturday, May 28 from 10:00 a.m. to 3:00 p.m. There will be lots of activities and a free lunch. Don't miss it.

God's Little Devotional Book

By John G. Nicolay and John Hay

One Friday morning, an eager young student at Stanford University stood before Louis Janin. He was seeking part-time employment from Janin, who informed him, "All I need right now is a stenographer."

"Fine," the young man said eagerly, "I'll take the job." Then he added, "But I can't come back until Tuesday." Janin agreed and the next Tuesday, the young man reported for work as scheduled. Janin asked him, "Why is it that you couldn't come back before Tuesday?" The young man replied, "Because I had to rent a stenotype machine and learn how to use it."

This zealous new typist was Herbert Hoover, whose can-get-it-done attitude eventually led him through the doors of the White House.

Bob Templeton arrived in Barrie, Ontario, shortly after a tornado had struck the town, killing dozens of people and doing millions of dollars' worth of damage. Bob, who was vice-president of Telemedia Communications, called a meeting and asked the company's executives, "How would you like to raise three million dollars three days from now in just three hours and give the money to the people of Barrie?" The executives declared, "There is no way we could do that!"

Bob responded by drawing a large "T" on a flip chart. On one side of the "T" he wrote, "Why we can't" and on the other "How we can." The group began to brainstorm and before long, the "How we can" side had several ideas. The group settled on doing a national radio show featuring well-known broadcasters.

The broadcasters agreed. Stations agreed to broadcast the radio-thon. Within three days, fifty stations across Canada participated, and three million dollars were donated by listeners!

Focus on *how* you can get something done rather than *why* it might not be possible. In the words of Winston Churchill, "Never, never, never give up."
