WARMER DAYS MAY COME

So far (knock on wood) the weather has been perfect on Saturday for football. Eventually we all know that a hot Saturday will arrive. When that happens, it will be extra important to keep hydrated before, during, and after games. Players will need to drink from 16-32 oz. (which is about the amount that is in one water bottle) during the game, but it is also important to drink that much water before and after as well. Drinking water before prepares your body for the exercise to come, and drinking it after helps cool the body down from the exercise just completed.

COLUMN ONE

Youth football makes for some great photo opportunities.

Did You Say Football or Fútbol?

Saturday, September 24 will be an exciting day for Pre-K boys (who turned 4 by August 1st) and Kindergarten boys as they walk on the field, some for the first time, to take part in Kare Youth League's Great Start program opening day of soccer. Activities will be held at 11:00 a.m. at all our Kare facilities. **We ask that all Kare Youth League member families do two things:**

- 1) Bring your son to sign-up if he is a Pre-K (who turned 4 by August 1st) or a Kindergarten.
- 2) Tell someone you know who has a boy this age about the program and invite them to come.

A Lot Easier Than Selling a Fridge to an Eskimo

Fall 3-2-1 Sports Drawing tickets are only \$1.00 each and that makes them very sellable. Actually, they are so inexpensive that you might be able to sell them five at a time. When going selling, try to give each customer the opportunity to purchase more than one. It won't take as long that way. All members have until Saturday, October 15 to reach their quota. Here are the quotas for this year:

C & B Division - 40	Royal Friends - 40
A & AA Division - 50	Karenas - 50
AAA Division - 80	Pac Five (4 th) - 60
Pac-12 Division - 100	Pac Five (5-6 th) - 80

Don't Give Up: From God's Little Devotional Book

Back-to-back victories by the Dallas Cowboys at the Super Bowl in 1993 and 1994 may mask the fact that Jimmy Johnson, the team's legendary former coach, knew as much about losing as he did about winning. In 1989, his first season in Dallas, Johnson's team had only one win, and fifteen losses. This overwhelming losing season was only a little worse and a little less humiliating than his first year as a high-school defensive coach, when his team finished the season 0-10.

Johnson said about that first season in Dallas, "We had the worst team in the NFL, but I wouldn't accept anything but being in the Super Bowl." Johnson kept a positive attitude. If a running back had the ball, he shouted, "Protect the ball," rather than "Don't fumble." To his field-goal kickers he'd say, "Make this," not "Don't miss." After a loss, he'd spend his postgame time plotting the next win, rather than second-guessing what had gone wrong.

The Cowboys responded and improved. It took four seasons, but Super Bowl rings were on their fingers. In Romans 12:12 the apostle Paul tells us, "Be joyful in hope, patient in affliction, faithful in prayer." Keep that in mind the next time things aren't going so well. You may be closer to success than you think.
