### Foul Ball!

Foul balls can be very dangerous around baseball fields. Make sure that when a game is going on you are paying attention to all the action. Also, keep in mind that Kare Youth League is not responsible for a ball hitting a car. If you park by the baseball field, it may get hit by a ball.

## The Forms Are Now Ready

To abide by California State Law all youth sport organizations are now required to distribute information to our membership every year about concussion signs and symptoms. We also have to document that you received the information. Anyone participating in any youth sports (including all the sports that we play at Kare Youth League) must sign a special sheet that informs families about concussions in sport. **The form must be signed by the parent and the child to be able to participate in practices or games beginning in baseball and softball.**

*Please do not park in the street around any Kare Youth League facility.*

## Big Feet and Bigger Heart

*Edited from Chicken Soup for the Soul*

It was unseasonably hot day. Everybody it seemed was looking for some kind of relief, so an ice cream store was a natural place to stop.

A little girl, clutching her money tightly, entered the store. Before she could say a word, the store clerk sharply told her to get outside and read the sign on the door, and stay out until she put on some shoes. She left slowly, and a big man followed her out of the store.

He watched as she stood in front of the store and read the sign: No Bare Feet. Tears started rolling down her cheeks as she turned and walked away. Just then the big man called to her. Sitting down on the curb, he took off his size-12 shoes, and set them in front of the girl saying, "Here, you won't be able to walk in these, but if you sort of slide along, you can get your ice cream cone."

Then he lifted the little girl up and set her feet into the shoes. "Take your time," he said, "I get tired of moving them around, and it'll feel good to just sit here and eat my ice cream." The shining eyes of the little girl could not be missed as she shuffled up to the counter and ordered her ice cream cone.

He was a big man, all right. Big belly, big shoes, but most of all, he had a big heart.

## Why Can't I...

...Park in the streets around any Kare Youth League facility? Well, as you can imagine, the neighbors around our Kare facilities don't like it much when their houses are surrounded by cars, especially on a Saturday when they have friends and relatives coming to visit and there is nowhere to park. We want to be good and responsible neighbors, so obey the parking signs, and park on the facility in the designated parking spots that have been lined off. Thanks for your cooperation.
