## **COLUMN ONE**

### **This Saturday is the Deadline**

The deadline for selling your 3-2-1 Sports Drawing tickets is This Saturday. The drawing will take place on Saturday, October 14 (it won't take place until all activities are over so it is fine to turn in the money and stubs that day). **Remember the quotas are mandatory (sell the tickets or pay the money)** and are a vital source of income to each individual division. All money earned goes directly to the division your child is in. Here are the quotas:

|  |  |

*The Kare Youth League Titans picked up their first win last Thursday 38-7 over CMI. Kare Youth League and Rio Hondo Prep Jr. High boys play in the Christian Football League against schools from all over the southland, from Arcadia to Perris. They will face off this Thursday at Kare Park in Irwindale at 6:30.*

### **Kare Youth League Handbook**

In this week's installment of the Kare Youth League Family Handbook we include "What If It Rains".

*If it is raining at Kare Youth League after 12:30 on a weekday, all outdoor practices and outdoor games will be cancelled. When it rains for an outdoor activity on Saturday please call two hours prior to the activity. Arcadia, Covina, and Irwindale Center members should call (626) 442-1160. Upland Center members should call (909) 957-5273. We will try to play if at all possible, but the safety of the players is our primary concern.*

### **Catch of a Lifetime (Part Two)**

**By James P. Lenfestey**

Even though no one had seen them, nor could anyone ever know what time he caught the fish, the boy could tell by the clarity of his father's voice that the decision was not negotiable. He slowly worked the hook out of the lip of the huge bass and lowered it into the black water.

The creature swished its powerful body and disappeared. The boy suspected that he would never again see such a great fish.

That was 34 years ago. Today, the boy is a successful architect in New York City. His father's cabin is still there on the island in the middle of the lake. He takes his own son and daughters fishing from the same dock.

And he was right. He has never again caught such a magnificent fish as the one he landed that night long ago. But he does see that same fish – again and again – every time he comes up against a question of ethics.

For, as his father taught him, ethics are simple matters of right and wrong. It is only the practice of ethics that is difficult. Do we do right when no one is looking? Do we refuse to cut corners to get the design in on time? Or refuse to trade stocks based on information that we know we aren't supposed to have?

We would if we were taught to put the fish back when we were young, for we would have learned the truth.

The decision to do right lives fresh and fragrant in our memory and it is a story we will proudly tell our friends and grandchildren. Not about how we had a chance to beat the system and took it, but about how we did the right thing and were forever strengthened.
