# INTERLEAGUER

VOLUME 78, NUMBER 8 • OCTOBER 15, 2018

## COLUMN ONE

*“Ruh-Roh, Raggy” Scooby Doo and Shaggy helped crowned the queen and her court last Friday at the Rio Hondo Prep Homecoming.*

### Basketball Membership Fee

The Basketball Membership Fee is due by the last Saturday in October (basketball actually begins for the D3, D2, and D1 girls that week but the boys don’t begin until the week after Thanksgiving). Also, remember, there will be no more fundraisers. Here is a list that covers what people owe (after 2 children the third child is no additional charge):

	Per Sport	Monthly	Savings
1 <sup>st</sup> grade on up	\$155	\$47	\$14
PK and K	\$80	\$25	\$5

### Parents’ and Fans’ Code of Ethics

*(From the KYL Parent Handbook)*

*Parents and fans agree to provide support, care and encouragement for the children of Kare Youth League by following the guidelines of the Parents’ Code of Ethics:*

*I will encourage good sportsmanship by demonstrating positive support for all players, leaders and officials at every game.*

*I will support leaders and officials working with my child in order to encourage a positive and enjoyable experience for all.*

*I will refrain from the use of tobacco, alcohol, and profanity at all of my child’s activities.*

We would also like to add, if you do have a suggestion, helpful criticism, or complaint, that you direct it to the league commissioner or site director rather than directly to the coaches. Thanks for keeping Kare Youth League a positive atmosphere for everyone.

### Procrastination is A Thief *God’s Little Devotional Book*

In *Traveling Hopefully*, Stan Mooneyham writes:

*“I will go, when –  
“I will give, after –  
“I will obey, but first –*

One can always find reasons for delay, and sometimes they may even seem to be valid reasons. A close friend of mine and I were called to preach about the same time, and we went to university together. I was out mutilating homiletics in rural Oklahoma churches during those four years of study, but my friend insisted he wouldn’t preach his first sermon until he had received his Ph.D. That was over thirty years ago. I am still mutilating homiletics, but my friend isn’t preaching at all. He never did. Preparation is important, but doing is an important part of preparation.

In the Old Testament we hear much about offerings of “first fruits”. God’s portion came right off the top. Nowadays we are more likely to be known by and for our “last fruits”.

Near the hold button on the hotline to heaven, these classic words would be appropriate:

If not I, who?  
If not here, where?  
If not now, when?
