Still Looking For Volunteers

Baseball and softball will be here before you know it, and there is a lot of work that needs to be done on the fields so that they are ready for opening day. Saturday, February 16 is a holiday weekend and there are no games at Kare Youth League, but that doesn't mean that we won't be busy working on field preparation. If you can help at any of our facilities, please let us know.

The Elephant in the Room

From "Livin3"

As a man was passing the elephants, he suddenly stopped, confused by the fact that these huge creatures were being held by only a small rope tied to their front leg. No chains, no cages. It was obvious that the elephants could, at any time, break away from their bonds but for some reason, they did not.

He saw a trainer nearby and asked why these animals just stood there and made no attempt to get away. "Well," the trainer said, "when they are very young and much smaller we use the same size rope to tie them and, at that age, it's enough to hold them. As they grow up, they are conditioned to believe they cannot break away. They believe the rope can still hold them, so they never try to break free."

The man was amazed. These animals could at any time break free from their bonds but because they believed they couldn't, they were stuck right where they were.

Like the elephants, how many of us go through life hanging onto a belief that we cannot do something, simply because we failed at it once before?

Failure is part of learning; we should never give up the struggle in life.

Baseball/Softball Fees Due

The membership fee for baseball/softball is due on Monday, February 4. Please take care of it in the office by that day. To avoid the hassle every sport, just sign up for the monthly plan.
