COLUMN ONE

Last week Rio Hondo Prep presented “Mary Poppins” to sold out crowds on Friday and Saturday. Thank you to everyone who attended and supported the young men and women who worked so hard on the performance.

Carnival Moved to Saturday, March 16

The rain just won't go away. Last Saturday was no exception. The Carnival had to be cancelled, but there is a bright side to every cloud...or is it a silver lining? Anyway, Pearl Prep, Kare Youth League's elementary school located in Arcadia, will try again to sponsor an “Opening Day Carnival” at Kare Park in Irwindale on Saturday, March 16 from 10-2. Children 4th grade on down will be given complimentary booth tickets at their game to play after...at least...as long as the weather allows.

Are You A Dodger Fan?

Whether you are a Dodger fan or not Kare Youth League has worked out something that you might be interested in. The evening of Friday and Saturday, May 3rd and 4th Kare Youth League will be holding its annual track meet at Kare Park in Irwindale. It promises to be even bigger and better than last year. The morning of Saturday, May 4th will also be very exciting. Kare will be having a fundraising breakfast at none other than Dodger stadium. Attendees will be able to tour the stadium and eat breakfast right behind home plate where the “big-wigs” usually are. Information will be coming soon.

A Dish of Ice Cream

From Livin3

In the days when an ice cream sundae cost much less, a 10 year old boy entered a hotel coffee shop and sat at a table. A waitress put a glass of water in front of him.

“How much is an ice cream sundae?”

“50 cents,” replied the waitress.

The little boy pulled his hand out of his pocket and studied a number of coins in it.

“How much is a dish of plain ice cream?” he inquired. Some people were now waiting for a table and the waitress was a bit impatient.

“35 cents,” she said brusquely.

The little boy again counted the coins. “I'll have the plain ice cream,” he said.

The waitress brought the ice cream, put the bill on the table and walked away. The boy finished the ice cream, paid the cashier and departed.

When the waitress came back, she began wiping down the table and then swallowed hard at what she saw.

There, placed neatly beside the empty dish, were 15 cents – her tip.

John Hagee once said, “The measure of a man's greatness is not the number of servants he has, but the number of people he serves.” Putting others interest above your own is not easy but can make a world of difference.
