Why are Some Games in Bold?

We are one big family at Kare Youth League, so since the Rio Hondo Prep baseball team won 8-5 Tuesday over St. Anthony they are now playing in the CIF finals against Costa Mesa High School. **The game will be at UC Riverside at 4:15 on Saturday.** We have changed some of the games to make it possible for staff and members to attend. We hope you understand.

COLUMN ONE

The Rio Hondo Prep boys' volleyball team made it to the CIF Finals last Saturday, losing to Village Christian in five games. It was an amazing match to attend and the boys did an incredible job. The RHP baseball team has also advanced to the CIF Finals and will face Costa Mesa at UC Riverside at 4:15 on Saturday. CIF charges \$12 for adults, \$5 for students, and \$6 for parking.

Mother's Softball League this Summer

It's time to dust off that old glove (or just borrow your child's glove instead) and get yourself on the field to play softball this summer. Every Wednesday night at 8:00 at Kare Park in Irwindale, Kare Youth League mothers will have the opportunity to play softball. The season will last from June 5th to July 17th and the cost is \$75.00. Please sign up in the KYL office ASAP. Don't worry, dads. If this is successful, your time may come next summer.

Mount Kare Open House is coming on Saturday, May 25 from 10:00 a.m. – 3:00 p.m. in Wrightwood. The nerf ball shooting gallery is only part of the fun. Plan to make a day of it.

Reject the Rejection *From God's Little Devotional*

In 1902, an aspiring young writer received a rejection letter from the poetry editor of *The Atlantic Monthly*. Enclosed with a sheaf of poems the 28-year-old poet had sent was this curt note: "Our magazine has no room for your vigorous verse." He rejected the rejection, however, and went on to see his work published. His name was Robert Frost.

In 1905, the University of Bern turned down a Ph. D. dissertation as being fanciful and irrelevant. The young physics student who wrote the dissertation rejected their rejection and went on to develop some of his fanciful ideas into widely accepted theories. His name was Albert Einstein.

In 1894, a sixteen-year-old found this note from his rhetoric teacher at Harrow, in England, attached to his report card: "A conspicuous lack of success." The young man rejected the rejection and went on to become one of the most famous speakers of the twentieth century. His name was Winston Churchill.

Reject the rejection you may receive today, and go on to achieve real achievement!

The Rio Hondo Prep softball team made it to the quarterfinals this year by defeating Santa Rosa Academy 2-1 on a walk-off single. They had a great season as well.
