

**Kare Youth League**

Their Future Is Now

November 2019

Dear Kare Family,

Thank you for being part of Kare Youth League. Your faithful participation in our program means a lot to us.

Parents often tell us how much they appreciate the encouragement that their children receive from their Kare coaches. That's encouraging for us to hear! Our Leaders strive each day to teach what our motto says, "Their Future Is Now." It's what makes Kare special.

I'd like to share some good news with you.

We now have nearly 1,000 children participating in the Kare program from our three centers. The popularity of our program is increasing and that's fantastic.

**This presents us with a challenge.**

We work hard to keep our fees modest and to always make the Kare program available to every child who wants to participate. But without help, some families just can't afford it.

Nearly one out of every five children in Kare relies on financial assistance to participate. There is probably at least one member on your child's team who needs help to be able to play on the team, possibly more than one.

How do we do that?

Kare offers a financial assistance program. It is made possible by Kare staff, alumni, friends and member families who give small tax-deductible gifts each month to meet that need. **Without these gifts we couldn't offer the program and those children simply could not play.** That would be heart-breaking.

**We need more help in 2020.** We're going to need sponsors for 200 children.

I'm asking you and every Kare family to make a small monthly contribution for 2020. \$25 per month supports one child for a year, \$50 per month supports two children, etc. Perhaps you can only do \$10 per month. All gifts are appreciated and make a difference.

Everyone who contributes will receive a beautifully designed 2020 Kare Youth League Child Sponsorship refrigerator magnet as a token of our appreciation. Think of how good you'll feel each day when you see that magnet knowing you helped a precious child in need. Think of the great example it will be for your children, too.

There are two easy ways to give:

1. **Gifts by Credit Card:** Please visit [www.kyl.org/donate](http://www.kyl.org/donate) to set up your monthly pledge or to give a one-time gift. It's easy and secure.
2. **Gifts by Check:** Simply fill out the enclosed card and mail it back with your check in the envelope provided.

Your gift in any amount is appreciated. I thank you for your generosity.

Sincerely,

A handwritten signature in blue ink that reads 'Greg Bolinger'.

P.S. Think of the warmth you'll feel knowing you helped another child participate in Kare when they need it most. Please visit [www.kyl.org/donate](http://www.kyl.org/donate) and make your pledge or mail your check today.
