COLUMN ONE

This is a shot from last year's "Breakfast with Santa". This year's event is on Saturday, December 14 in Stivers Center in Arcadia from 8:00-11:00. Don't miss it!

Breakfast with Santa December 14

Saturday, December 14th Kare Youth League will be hosting its annual "Breakfast with Santa" event with this year's theme "Snowy Christmas". The extravaganza in Arcadia will run between 8:00 a.m. and 11:00 a.m. (food service ends at 10:45 a.m.) and be fun for the whole family. For \$8.00 you receive a full pancake breakfast, game tickets to use in Santa Land, a photo op with Santa himself (bring your own camera), and a good time.

What to do if it Rains

Rainy season is here and that can make activities seem "up in the air" sometimes. To make sure you receive the latest information sign up on "Team App". Announcements on cancellations will always be posted there first. If you haven't signed up yet please do.

As a general rule, for weekday practices that are outside, we will cancel the activity if it is raining after 12:30 at our facility. On Saturday we try to wait as long as possible to make a decision but usually get information out at least two hours before game time.

When is the Summer Vacation Period?

For those of you who actually try to do a little planning, it is nice to know when the **Summer Vacation Period** for Kare Youth League is. We will be playing baseball/softball from March through May and then soccer in June and July. There will be no activities from July 17 to August 16. Fall activities will begin August 17.

Festive Christmas Facts

Karen Lehnardt

1. Norwegian scientists have hypothesized that Rudolph's red nose is probably the result of a parasitic infection of his respiratory system
2. In A.D. 350, Pope Julius I, bishop of Rome, proclaimed December 25 the official celebration date for the birthday of Christ.
3. According to the Guinness world records, the tallest Christmas tree ever cut was a 221-foot Douglas fir that was displayed in 1950 at the Northgate Shopping Center in Seattle, Washington.
4. Christmas wasn't declared an official holiday in the United States until June 26, 1870. (Quick, who was President in 1870?)
5. The poinsettia is native to Mexico and was cultivated by the Aztecs, who called the plant Cuetlaxochitl ("flower which wilts"). For the Aztecs, the plant's brilliant red color symbolized purity, and they often used it medicinally to reduce fever. Contrary to popular belief, the poinsettia is not poisonous, but holly berries are.
6. According to the Consumer Product Safety Commission, over 14,700 people in the United States end up in the ER each November and December from holiday decorating accidents.
7. Christmas is a contraction of "Christ's Mass," which is derived from the Old English Cristes mæsse (first recorded in 1038). The letter "X" in Greek is the first letter of Christ, and "Xmas" has been used as an abbreviation for Christmas since the mid-1500s.
8. Approximately 30-35 million real (living) Christmas trees are sold each year in the U.S.
