Kare Youth League Promise

Since 1931, Kare Youth League has served children in our area through a uniquely designed program, integrating athletics, extracurricular activities, camping, and the Bible. At the center of that is our membership card, which was formulated by some of our earliest members. The card begins with a promise:

I promise by the strength of Christ to be brave, pure and true. I will fulfill my duties at school, home and club; do my part in Kare Youth League activities, keep all dates and promises and read at least one verse in the Bible daily.

Be watching for this card in the next month or so. We hope your child takes what's stated on the back to heart and makes it a part of their life. Thank you for being a member in Kare Youth League.

Weekday action begins (Bulldog Jeremiah Rodriguez behind the plate and Joshua Choi at bat for the Wildcats) at Kare Park in Irwindale.

The Old Man and the Gulls From Paul Harvey: Part 2

The B-17 stayed afloat just long enough for all aboard to get out. Then, slowly, the tail of the Flying Fortress swung up and went down, leaving eight men and three rafts... and the horizon. For nearly a month Captain Eddie and his companions would fight the water, and the weather, and the scorching sun. They spent many sleepless nights recoiling as giant sharks rammed their rafts. The largest raft was nine by five. The biggest shark...ten feet long. But of all their enemies at sea, one proved most formidable: starvation. Eight days out, their rations were long gone or destroyed by the salt water. It would take a miracle to sustain them. And a miracle occurred.

In Captain Eddie's own words, "The Captain read the service that afternoon, and we finished with a prayer for deliverance and a hymn of praise. There was some talk, but it tapered off in the oppressive heat. With my hat pulled down over my eyes to keep out some of the glare, I dozed off. Then, something landed on my head. I knew that it was a sea gull. I don't know how I knew, I just knew. Everyone else knew too. No one said a word, but peering out from under my hat brim without moving my head, I could see the expression on their faces. They were staring at the gull. The gull meant food...if I could catch it."

Well, Captain Eddie caught the gull. Its flesh was eaten and the rest used for bait to catch fish. The survivors were sustained and their hopes renewed because a lone sea gull, uncharacteristically hundreds of miles from land, offered itself as a sacrifice (sound familiar). You know that Captain Eddie made it. And now you also know that he never forgot. Because every Friday evening, about sunset...on a spot along the eastern Florida seacoast...you could see an old man walking with a pail of shrimp...feeding the gulls. Now you know...the rest of the story.
