COLUMN ONE

Rio Hondo Prep qualifies for CIF Playoffs and will travel to face Norwalk this Friday at 7:00 pm.

Rio Hondo Prep Plays Norwalk Friday

One of the youngest (if not the youngest) teams in Rio Hondo Prep history upset favored Campbell Hall last Friday and earned a trip to this year's CIF Football Playoffs. The Kares were placed in Division 10 out of 14 total which means that our small school of 100 students will have to face much larger schools. Rio will meet Norwalk High School in the first round. The Lancers have an over 2,000 strong student body. The Kares are used to the David vs. Goliath role. Last year they faced Charter Oak in the first round and defeated them in a close exciting game. We will see if history repeats itself this year. The game will be played in Norwalk on Friday at 7:00 pm. To purchase tickets go to <https://gofan.co/app/school/CA68719>.

Thanksgiving (A Civics Lesson in Gratitude) from the Washington Post

Thanksgiving is a wonderful time. Families gather to give thanks for their blessings and to reaffirm the bonds of kin and friendship. We remember the Pilgrims and other times in our history for which we are grateful.

But there is a deeper meaning to Thanksgiving. Something about the virtue of gratitude that the holiday embodies transcends the particulars of the Thanksgiving story.

"Gratitude," said Cicero, "is not only the greatest of virtues but the parent of all others." It is nearly impossible for a grateful person to be hateful or selfish. If you count your blessings more than your grievances, you are bound to become more compassionate and generous than someone who does not.

Theologians and philosophers understand the deeper meaning of gratitude. They see it not only as a good emotion but as a fundamental virtue in and of itself.

Martin Luther believed gratitude was the "basic Christian attitude." It is often referred to as the "heart of the gospel." This view is not limited to Christianity. In Judaism, there is nothing more central than the idea that we should love and be eternally thankful to God. The sentiment is not only theologically central but morally foundational. All other virtues—from kindness and humility to charity and justice—would not be possible were it not for the belief that we should give thanks to something outside ourselves, whether it be to God, our nation, our family and friends.
